

# Coming Back To You

G  
What to say, what to say  
C G  
I've got no, no words to tell

Been away, been away  
C G  
I just got home from hell

D  
*After everything I done you*  
am C  
*I keep running back*  
D  
*You're the one I come to --*  
am C G  
*I keep coming back to you*

G  
All the rain, all the rain  
C G  
What a hard rain, rain, rain had to fall  
All the same, all the same  
C G  
You know I love you, love you most of all

## CHORUS

G  
Who can know, who can ever know  
C G  
What only, only time will tell  
Even so, even so  
C G  
I swear, I swear I'll love you well

## CHORUS
