

Coming Home to Me

E B7 A
Lately I feel trapped inside a story –
E B7 A
The one about two lovers torn apart –
E B7 A
A story where the ending is uncertain
f#m A E
And there's a hurtin' feeling in my heart

A B7 E
Where are you now, what have you been through?
A B7 E
I didn't know how lonely love could be
A B7 E c#m
Where are you now, I long to see you
A B7 A A B7 A B7 E
When are you coming home, coming home to me?

E B7 A
Every little thing reminds me of you
E B7 A
Even though you're half a world away --
E B7 A
Everywhere I go I think I see you
f#m A E
Even strangers seem to wear your face

CHORUS

E B7 A
If only I could put it in a letter
E B7 A
Or say the way I'm feeling on the phone
E B7 A
If only I could whisper how I miss you
f#m A E
Or tell you what it's like for me alone

CHORUS
