

Daughter, Don't You Weep

G C G
Tell me precious daughter
G C G
Tell me, why do you weep?
G C G
Drain your cup of sorrow
G C G
And drink here where the wine is sweet

am C G
An endless wave is coming
am C G
To sweep you off your feet
am C G
And this will be your blessing
am C D
So daughter don't you weep

G C G
Listen, precious daughter
G C G
The ocean is wide and deep
G C G
It whispers in your every heartbeat
G C G
It rocks you in your fitful sleep

CHORUS

G C G
Go now, precious daughter
G C G
Go down, down by the sea
G C G
There's something on your horizon
G C G
So wait there for what will be

CHORUS

Note: I do this song with both E strings tuned down to D and capo at the 6th fret but this will work.
