

Going Home Tonight

G D G em D G
Kisses sweet as roses, tears that taste of time
G D G em G D C9 G
Bright as garlands, old as oceans , this love of yours, this love of mine
G D G em D G
It's an age-old story so there's no need to weep
G D G em G D C9
About these pieces of a dream we can no longer keep

em D G em D G
I'll put on my dancing shoes and step into the light
em D G em G D C9 G
I will dance again with you but I'm going home tonight

G D G em D G
I see love shining where your eyes hold mine
G D G em G D C9
As we share one final cup of our most precious wine
G D G em D G
I hear the angels sing for me; soon I'll say good-bye
G D G em G D C9
Give me one more drop of you, then let me fly

CHORUS

G D G em D G
I'll love you time and time again as curtains rise and fall
G D G em G D C9
Until the veil is torn away once and for all

CHORUS
