

Only Fire Can Quench My Thirst

D C G D
First a little shiver went up and down my spine
D C G D
Then a little fever started burning in my mind
D C G D
I could not drink water; I could not drink wine
D C G D
Only fire could quench this thirst of mine

D C G D
I saw a fire burning but could it comfort me
D C G D
If my heart was turning where it really shouldn't be?
D C G D
I tasted fire long ago; it only brought me grief
D C G D
One more taste of fire could be the death of me

C G D
Oh fire, how it hurts
C G D
Only fire can quench my thirst

D C G D
When I tasted fire, I was dancing in the flames
D C G D
And everything inside of me was howling from the pain
D C G D
Since I tasted fire I am not the same
D C G D
And if the ashes taste like tears to me, well it's a cryin' shame

CHORUS

D C G D
Well, I can go to heaven or I can go to hell
D C G D
But either way don't want to play one more fool who fell
D C G D
Won't throw my fortune down a wishing well
D C G D
Cuz a little fire put me in a spell

CHORUS 2X

Note: I play this with both 1 and 6 string E's tuned down to D's but this will work. If you substitute C9's for C's it will sound better.
