

Running Like a River

G em G em
So many evenings, so many dreams
G em C D
So many distances and times in between
C G F C
When I tried to remember the visions I'd seen
G D C G
And waited for someone to begin the beguine

D em D em
I was running like a river going nowhere
D em C G
Got to find the ocean, won't You take me Meher?
F C G
Meher, Meher, won't You take me there?

G em G em
I was in the dessert, waiting for some rain
G em C D
Nothing much was growing there, nothing ever changed
C G F C
Then You filled all my emptiness with love when You came
G D C G
And showed me the way to Your garden again

CHORUS

G em G em
I have seen Your rainbow, took it for a sign
G em C D
But the promised treasure is so hard to find
C G F C
I'll give You my only-ness, my heart, and my mind
G D C G
And promise to love You, Lord knows I'll try

CHORUS
