

# The Night Before The Wedding

E Esus E Esus  
The night before the wedding Mehera lay waiting  
E Esus B7  
In a state of sweet surrender in a sacred room  
E Esus E Esus  
Companions gathered 'round to see her there in silence  
E B7  
More beautiful than ever –and the roses bloomed

E Esus E Esus B7  
*Holy night! Oh, night at Meherazad*  
E Esus E Esus  
*Holy night*

E Esus E Esus  
The night before the wedding Mehera lay waiting  
E Esus B7  
While lovers came to greet her in the lantern light  
E Esus E Esus  
Angels gathered near --their hearts were pounding  
E Esus B7  
They kept their wings from rustling while the women cried

*Note: I do this song in an open F tuning but this will work. An F tuning is just like an open G but with the guitar tuned down one step.*
