

The Sweetest Love

A E
Sleeping, I've been sleeping
D E A
Twisted up, tangled up in you
A E
Weeping, I've been weeping
D E A
I cannot see the ocean in this blue

D E A D
I was born a seeker and I've traveled on this road
E A
Many times I've stumbled on the stones
D E A D
The road has gotten steeper and I have so far to go
E A
To find the sweetest love I've ever known

A E
Bleeding, my feet are bleeding
D E A
My shoes are old and worn
A E
Pleading, hear me pleading
D E A
This coat of mine is very thin and torn

CHORUS

BRIDGE

D E D E
Hungry! I'm hungry
D E A
I need more than petals in the dust
D E D E
Honey, give me honey
D E A
Pour a little taste into my cup

CHORUS

Note: I play this in an obscure open tuning in the key of B but the chords above will work fine. Capo as needed. Capo the 2nd fret for the key of B that I do.
