

You Feel So Far

E A E
In all the time we've been together
c#m A E
You've been deep in me
E A E
I promised you my forever
c#m A B7
I promised you I'd never leave

E A E
In the light and in the shadows
c#m A E
You've been there for me
E A E
But lately I can't feel you
c#m A B7
Where, oh where can you be?

 A E
Now you feel so far, so far
 B7 A E
So far away, away from me
 A E B7 A
You feel so far, so far away
 E
Away from me

E A E
Sometimes I cry myself a river and
c#m A E
Let the river carry me
E A E
Through this lonely vale of darkness
c#m A B7
Where my blinded heart can't see

E A E
I know we'll never be returning
c#m A E
To the way it used to be
E A E
But you are everything I live for --
c#m A B7
You are everything to me
