

# You Feel So Far

E A E  
In all the time we've been together  
c#m A E  
You've been deep in me  
E A E  
I promised you my forever  
c#m A B7  
I promised you I'd never leave

E A E  
In the light and in the shadows  
c#m A E  
You've been there for me  
E A E  
But lately I can't feel you  
c#m A B7  
Where, oh where can you be?

A E  
*Now you feel so far, so far*  
B7 A E  
*So far away, away from me*  
A E B7 A  
*You feel so far, so far away*  
E  
*Away from me*

E A E  
Sometimes I cry myself a river and  
c#m A E  
Let the river carry me  
E A E  
Through this lonely vale of darkness  
c#m A B7  
Where my blinded heart can't see

E A E  
I know we'll never be returning  
c#m A E  
To the way it used to be  
E A E  
But you are everything I live for --  
c#m A B7  
You are everything to me

*CHORUS 2X*
